Dear Sunday Morning Parent Volunteers,

I am writing on behalf of our Hospitality Team for our youth group here at Trinity. This ministry plays a major role in what takes place on Sunday mornings. If you have been a part of this ministry in years past, I say thank you greatly for your help and support. You may not realize the difference you make just by serving in the kitchen. **Once a month**, you are investing a small portion of time that is impacting the kingdom of God forever- just by smiling & serving brunch. We will continue to serve Brunch in 2017-2018. **Please contact me if you would like to help with this ministry and we can add you to this list!**

So here's how we plan to make it happen! This year we have **at least four families per Sunday** to cut down on the cost & labor. We need 1 of these families to bring: one gallon milk for cereal and juice to go with the breakfast; the other three families bring food items (such as muffins, donuts, biscuits, honey crossaints, waffles, etc. However you want to divide up the food responsibilities is up to you. Cups, napkins, utensils, bowls, plates, and cereal **are currently provided** by the church, which you all will have access to each morning. Here is the following schedule on any given Sunday (**the time in which your team arrives may vary due to the demand of what you are serving**):

- |         |   |
|---------|---|
| 9:00am  | Hospitality Team drops off food in the Family Life Center   |
| 9:15am  | Head over to Sanctuary for First Worship Service; FLC is free until breakfast for any prep needed.  |
| 10:20am | Set out all continental breakfast food out of pantry and onto tables in front of kitchen. Make any necessary food preparations (i.e. heating up honey croissants or warming up biscuits etc.) This time can also be used to divide muffins in half or assemble fruit or make waffles. Make sure all cups, napkins, utensils, milk, plates, bowls, and other items needed are set out on tables as well!         |
| 10:30am | Students are dismissed from the First Worship Service & transition to FLC.Begin Serving!  |
| 10:55am | Shut down breakfast! Make sure any trash is thrown away or dirty dishes are washed and put back in their designated location. Also, please wipe down the serving tables and the serving island in the kitchen. <u>NO Students in the Kitchen for any reason at any time.</u> Keep it as simple and clean as possible. Our interns will set up and tear down the serving tables & will take out trash each week. |
| 11:00am | Students are responsible for throwing all trash away! Make sure the kitchen is clean, lights out, and door shut. Hospitality Team is finished and can go to 2 <sup>nd</sup> Service or Small Groups.  |

If for some reason you can **not** be here on your particular Sunday, please contact your coordinator or another family on your team to make adjustments.

Thank you all for your willingness to get involved & serve Trinity Students. We hope that this ministry will be a blessing to you as much as it is for our students. Thank you for wanting to be a part of it. Please feel free to call or email me if you have any concerns or questions.

In Christ, **Adam**
