(10 and under, 11-14, 15-19, 20-29, 30-39, 40-49, 50-59, 60 and over)

5K Course

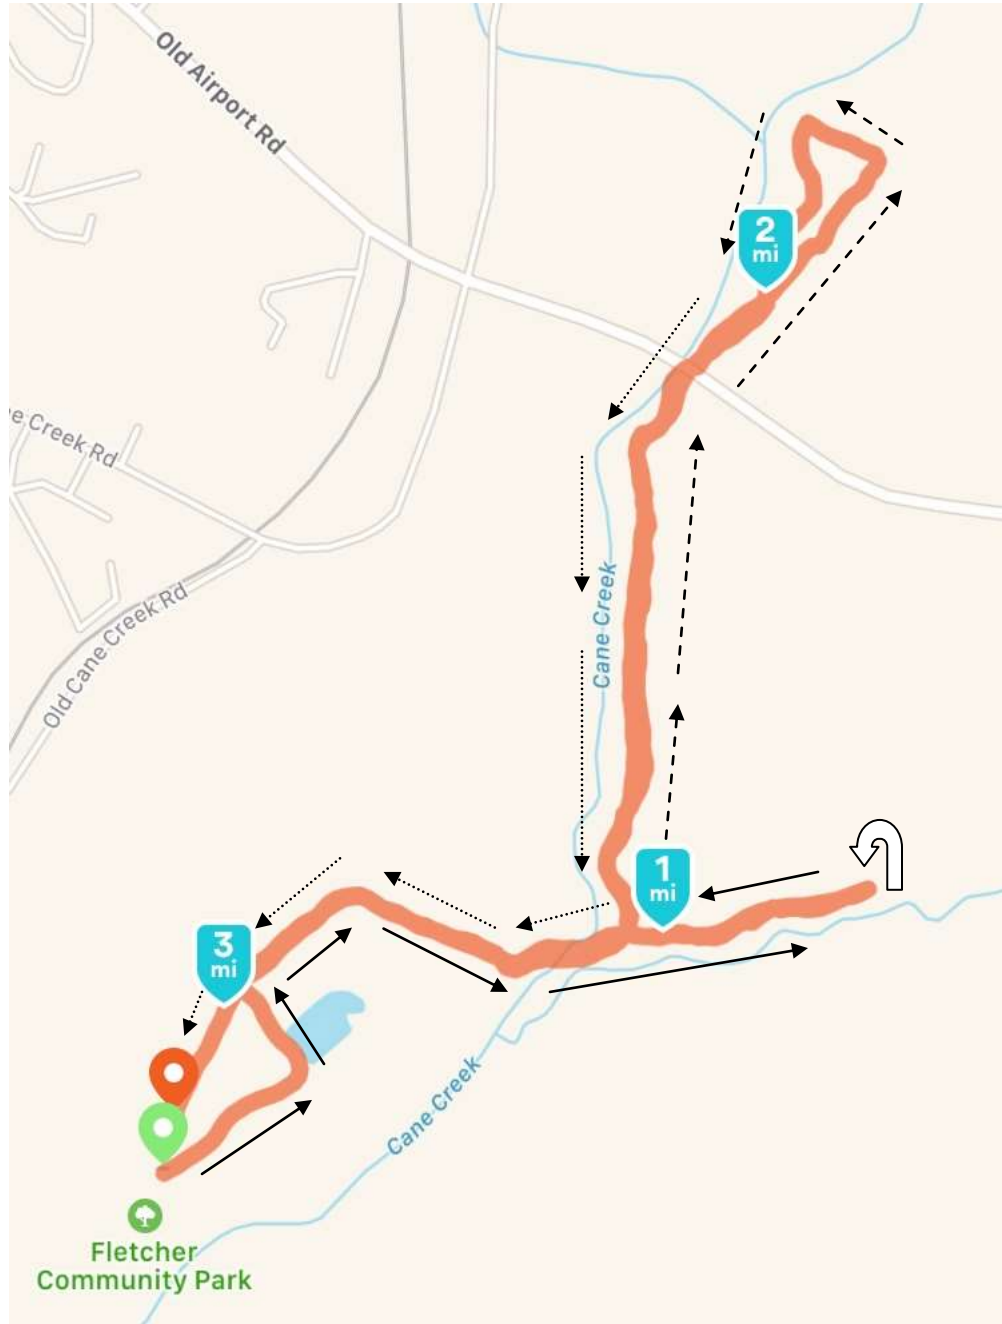

The 5k will begin in the open grass area between the playground and the baseball field in the park. Runners will start off around the inner loop of the soccer fields before taking a RIGHT out the gravel trail towards the greenway. Once they cross over the BRIDGE, runners will stay straight on the gravel trail alongside the corn field as a short out and back loop. They will run in the grass and head back toward the greenway. At the one mile mark, they will continue to the RIGHT all the way out the greenway until reaching the small loop. This circle loop will bring them back around onto the concrete to head back toward the last mile on the greenway. We will not be going toward the railroad tracks! The 2 mile marker will be when they pass back under the bridge. The terrain in the greenway is partially gravel and concrete. Once runners return from the greenway extension, they will cross the over the BRIDGE and turn RIGHT on the gravel trail to continue straight. Once runners pass the Dog Park, they will follow flags through the long stretch of grass towards the FINISH SHOOT. Course monitors and flags will be located throughout the race as well as a biker leading the way!

Address: Fletcher Park
85 Howard Gap Rd.
Fletcher, NC 28732

Spectators coming to the race need to look for **Joy To The World 5K Signs** once you enter the park. **Registration will be under the Steelcase Shelter with Blue Roof!** **Bathrooms are located beside the baseball fields for spectators and runners.**

The race will be chip timed by Right-On-Time Productions. Also, results can be viewed live right after the race at www.JoyToTheWorld5k.com or www.rightontimeproductions.blogspot.com.
