Office (828) 628-1188 • Fax (828) 628-2707

Dear Friend,

We are requesting businesses to join us in empowering young people to serve. The high school senior class at Trinity of Fairview is planning a mission trip to Puerto Rico next July to go work, serve, and learn from those in a different country. Last year, we had the privilege of going to Puerto Rico, and we saw some incredible changes through the service of these students.

In order for this trip to become a reality, we are hosting the “Joy to the World 5K” race on Saturday, December 15 at Fletcher Park, beginning at 10:00 a.m. This race will help raise money for our travel as well as for ministry needs while in Puerto Rico. We are asking local businesses to come alongside us as sponsors of the race. Donations are tax deductible.

Your options for sponsorship are as follows:

Gold Level Title Sponsor:

Donate **\$500** to become a title sponsor for this event. Your business logo (Larger) will appear on all race shirts and your business will be promoted in all race literature. In addition, you will receive six entries into the race.

Silver Level Sponsor:

Donate **\$250** & your business logo (Large) will be placed on the back of each race shirt as well as in all race literature. You will also receive four entries into the race.

Bronze Level Sponsor:

Donate **\$100** & your business logo (Small) will be placed on the back of each race shirt in smaller font as well as in all race literature. You will also receive two entries into the race.

If you have any questions, please call Trinity of Fairview at 628-1188. Race info and registration will be available @ www.trinityoffairview.com

Thank you for your consideration. We could not do this without you.
